Hi Fire staff,

Bob Pellegrine met with Austin S. who verbally signed off on the Fire Final for Lot 10 but the Fire Final Inspection in the Accela case, BLD 2016-00158, is still pending.

Please confirm your final approval or sign off in the BLD case. Please do the same, if Fire Final requirements have been met for BLD2016-00159 and 160.

They are seeking to final the permit by tomorrow.

Thank you!
